Re: WC Docket Nos. 16-143, 15-247, 05-25, RM-10593

Dear Ms. Dortch:

On February 6, 2016, Joan Marsh, Frank Simone, and the undersigned, all of AT&T, met with Jay Schwarz, acting Wireline Advisor to Chairman Ajit Pai. We discussed the status of the Business Data Services ("BDS") docket and stated that the record in this docket is extensive and has been fully developed. If it so chose, based on the existing record, the Commission could come to a final resolution on BDS that is just, reasonable, and grounded in the evidence. In addition, we met briefly with Nick Degani, Senior Counsel to Chairman Pai, to discuss the Commission's recent motion requesting that the federal appeals court hold AT&T's appeal of the Tariff Investigation Order in abeyance.

Pursuant to section 1.1206 of the Commission's rules, this ex parte notification is being filed electronically for inclusion in the record of the above-referenced proceeding. If you have any questions or need additional information, please do not hesitate to contact me.

Sincerely,
/s/ Caroline Van Wie
